Introduction

The following documents are an attempt to get as many of the descendants of Samuel Shipley and Keturah Sutton as I can in one place on the Web. It is a combination of my research on my family line as well as a lot of other researchers that were generous enough to send me what information they have on their families.

Most of the information I have tried to verify, but I am sure that the document contains some mistakes. If anyone finds a mistake please let me know and I will correct it on my next upload. Also if anyone has any more information on our line please let me know and I will post it on the website.

As is normal I have more information on my direct line than anything else. My family line is

Samuel Shipley, Christopher Shipley, Uriah Shipley, Sterling Davis Shipley, Calvin Ember Shipley, Samuel Charles Shipley and Calvin Isaac Shipley.

I have tried to make sure that living descendants are not included. If one is please let me know and I will delete it.

This document is a Family Tree Maker Genealogy Report with all of the information I have on the entries. It is in Generation sequence (Page 1 is Generations 1-4 and page 2 is Generations 5-7) and does not contain an Index or Surname list. You can search it with a "Control F" or just read it. I have also uploaded the same data in a file that has an index and Surname list but would not be as easy to read. Depending on what you

are looking far it may be easier to use it. It is a selection item on my Shipley Family Page.

I hope you enjoy the site and if you would leave us a comment we would appreciate it

Generation No. 1

1. SAMUEL¹ SHIPLEY was born Bet. 1750 - 1751 in Maryland, Anne Arundel or Baltimore Co., and died 25 Feb 1839 in Monroe Co. Kentucky. He married KETURAH SUTTON 21 Oct 1784 in Saint James Parish Baltimore Co. Maryland, daughter of JOSEPH SUTTON and RUTH ADAMS. She was born Abt. 1757 in Probably Baltimore Maryland.

Notes for SAMUEL SHIPLEY:

My History of Samuel Shipley and Keturah Sutton
Of Maryland, Tennessee and Kentucky

The following document is a summary of my research on Samuel Shipley and Keturah Sutton.

If you find any thing that needs to be changed, please to let me know.

Remember that parts of current Eastern Tennessee in the early years were also North Carolina, Virginia, Land South Of The Ohio River and part of it was called the Sauabble state because nobody could determine what belonged to what. When I state North Carolina/Tennessee it is just a lazy way of putting things.

I feel that I have tied Samuel Shipley and Keturah Sutton from their marriage in 1784 in Maryland to their move to Washington Co. North Carolina/Tennessee in late 1784 to Sullivan Co. Tennessee by 1793 to Knox Co. Tennessee in 1799 to Grainger Co. Tennessee in about 1809 to Barren Co. Kentucky in about

1811-1812. Monroe Co. Kentucky was created in 1820 from Barren Co.. Monroe Co. is where Samuel died in 1839. The main thing I tried to prove is that there was only one adult Samuel Shipley in Eastern Tennessee from 1784 to 1810. The only other Samuel was Richard's son born about 1785-87.

Most of my non-internet research came from visiting the following;

State Archives in Nashville Tennessee.

The East Tennessee Historical Center in Knoxville Tennessee.

The Barren Co. Kentucky Courthouse and library.

The Monroe County Kentucky Courthouse and library.

The Allen Co. Kentucky Courthouse and library and

The Clayton Genealogical library in Houston Texas.

I live in Texas so it was a fun trip to Tennessee and Kentucky.

Well here goes

1750-52 Maryland. Samuel was born in either Anne-Arundle or Baltimore Co. Maryland. We get his age from the following statement. Samuel stated in his Kentucky pension application in 1831 he was about 80 years old and served in the Maryland line from June 3rd 1778 to March 27th 1779 in the company commanded by Capt. Miles. This ties the Kentucky Samuel in 1831 back to this Maryland Samuel.

1752-1778 Maryland. I find nothing conclusive on Samuel during this period. There are several deed transactions and tax records but since there were three or more Samuels living in the area it could be anyone of them.

1778 Maryland, Baltimore Co.. Samuel signed the Oath of Allegiance. He stated that there were three people with the same name. I think it was him, Samuel Sr. (of Richard² of Adam¹) and Samuel Sr.'s son Samuel Jr.

1778 Maryland, June 3rd 1778 until March 27th 1779. Samuel was in the Revolutionary War. He was a private in the Maryland Line. His company commander was Capt. Miles and his regiment commander was Colonel Williams. Samuel was discharged near Middlebrooks New Jersey. Samuel signed up for a three year term and I wonder why he was discharged after 9 months? I found several references in Maryland Historical documents about him being in the military.

1779 New Jersey, March 27th. Samuel was discharged from the military.

1783 Maryland. Tax records showed one Samuel living in Anne-Arundle Co. and another one in Baltimore Co.. Samuel Sr. died in 1780 so I think that one of the above, probably the one in Anne-Arundle was my Samuel and the other was Samuel Jr. of Samuel Sr. This is just a guess. My Samuel showed to own no property at that time.

1784 July 31st Samuel bought 490 acres of land in Washington Co. North Carolina/Tennessee.

1784 October 21st Samuel married Keturah Sutton daughter of Joseph Sutton. This was listed in the Saint James Parish, Baltimore Co. records.

1784 -1786 Samuel bought 200 more acres of land in Washington Co. North Carolina/Tennessee. The indenture date was left off the deed so the only date in the deed is where Samuel promised to pay off the rest of the note by November 13th 1789. He paid taxes on both properties in 1787 so he must have bought it before 1787. The tax list showed two white poles. Edward Shipley and Adam Shipley were witnesses to the transaction. (brothers, cousins?)

Note

It seems that Samuel bought land in Washington Co. North Carolina/Tennessee in 1784 and 1784-1786. He also paid taxes there in 1787. Samuel also got married in Maryland in 1784 and has three

children listed in Saint James Parish Register as born or baptized in 1785-86-88. I do not have an obvious answer to the above except the deeds are signed by Samuel and the Saint James records could have been submitted by Keturah's father who was a member of the same Parish, or anyone else. If anyone can answer the above for sure I would appreciate it. As you will see later in the document there is a lot of evidence I believe showing that the above Samuel is the same person.

1785 North Carolina/Tennessee or Maryland. Samuel and Keturah had a son named Christopher Shipley as listed in the Saint James Parish Register in Baltimore Co. Maryland. He married Elizabeth Rutherford in 1811 in Knox Co. Tennessee. He is my direct line.

1786 North Carolina/Tennessee or Maryland. Samuel and Keturah had a son named Thomas as listed in the Saint James Parish Register in Baltimore Co. Maryland. He married Lucinda Edington in 1813 in Knox Co. Tennessee.

1787 North Carolina/Tennessee. Samuel paid taxes on 700 acres of land. This was both his 200 and 490 acres of land purchases combined. This tax list shows Samuel must have purchased the 200 acres of land before 1787. The list also showed two white poles.

1788 North Carolina/Tennessee or Maryland. The Shipley's of Maryland Book states that a Samuel Shipley was baptized on April 25th 1788. It states that his parents were Samuel and Keturah Shipley. This just happens to be the same date that the Saint James Parish register in Baltimore Co. Maryland lists as the birth date of Benjamin Shipley born to Samuel and Keturah Shipley. I think someone is wrong, probably the Shipley's of Maryland Book. So far the above on young Samuel is all I have so I am not sure of anything on him or Benjamin.

1788 North Carolina/Tennessee or Maryland. Samuel and ?????? had a son named Benjamin Shipley as listed in the Saint James Parish Register

in Baltimore Co. Maryland. If my theory about Samuel moving to Washington Co. North Carolina/Tennessee in 1784 is correct then Benjamin would have been born in Tennessee. In the 1850 census in Sullivan Co. Tennessee I find a Benjamin Shipley married to Hannah. Benjamin showed to be born in 1788 in Tennessee. It is possible that this Benjamin could be Samuel and Keturah's son .

1789 North Carolina/Tennessee. Samuel must have paid off the 200 acres of land he purchased and agreed to pay the balance in 1789 because he still had it in 1790.

1789 Samuel had jury duty in Washington Co. North Carolina/Tennessee

1790 Samuel had jury duty in Washington Co. North Carolina/Tennessee

1790 August 21st Samuel sold his two hundred acres of land in Washington Co. to Thomas Shipley. This transaction was witnessed by Edward and Adam Shipley. Now we have the three more Shipley's connected again. (brothers cousins?)

1790-1793. I find no proof of where he lived, but one item may be a hint of where he might have been. In 1792 a law suit was filed against Samuel in Knox Co. Tennessee for non-payment of a debt. The document was very confusing and almost unreadable. I do know the case was dismissed . It seemed that they could not find Samuel or something was improper on the document. Also the person who filed the suit was named Alexander Cavitt and he lived Sullivan Co. Tennessee. Alexander Cavitt also sold land to Conrad Shipley in Sullivan Co. (Shipley's ferry). I am not sure if Samuel lived in Knox Co. at that time or not.

1790-1791 Tennessee. Samuel and Keturah had a daughter named Ruth Shipley who later married Joshua Brown.

Note

1790 Maryland Census. After all of this talk of three known Samuels in Baltimore or Anne-Arundle County Maryland and one dying in 1780 leaving two and my Samuel moving to North Carolina/Tennessee leaving one. The 1790 Maryland Census shows two Samuels still living in Maryland each having teenage children. When you have no answer just ignore it and hope for the best..

1793 August 19th Sullivan Co. Tennessee. Samuel purchased 200 acres of land. It had a ferry on it and was on the Holsten River.

1795 Tennessee. Samuel and Keturah had a son named Reuben Shipley. He married Nancy Bailey.

1796 Samuel paid taxes on his 200 acres of land in Sullivan Co.

1797 Samuel paid taxes on his 200 acres of land in Sullivan Co.

1799 July 8th Knox Co. Tennessee. Samuel purchased 300 acres of land on Roseberry Creek. The deed stated that the land was also know as The Privy Spring.

1799 Tennessee, Sullivan Co. September 27th. Samuel sold his 200 acres of land to Phillip Snapp. The deed stated that Samuel was lately of Sullivan Co. He had just moved to Knox Co. Tennessee.

1799 Tennessee Samuel and Keturah had a daughter named Keturah Shipley. She married Thomas Biggers later in Kentucky.

1801 Tennessee, Knox Co.. Samuel was sued for non-payment of a debt. He lost the case. One of many. (Must be of my line)

1801-1802 Tennessee. Samuel and Keturah had a daughter named Prudence Shipley. She married Fleming Smith Page in Kentucky. This was after the death of Dorcus Shipley Page who married Fleming earlier.

1802 Tennessee, Knox Co.. Samuel was sued for non-payment of a debt. He also lost that case.

Note

1802 August 18th Samuel (the deed states Samuel Shipley of Knox Co. Tennessee) sold the 490 acres of property he purchased in Washington Co. North Carolina/Tennessee on July 31st 1784. He sold the land to an Edward Shipley of Grainger Co. Tennessee. This was probably the same Edward who witnessed his other Washington Co. Transactions. This is an important find because it ties this Samuel from Washington Co. to Sullivan Co. to Knox Co.

The purchase was witnessed by N. Shipley (Probably Nathan the possible son of Benjamin Shipley and Kitty Hawks). Was he a younger brother of Samuel, Edward, Adam and Thomas???

1803 Tennessee, Knox Co.. Samuel paid taxes on his Roseberry Creek property.

1803 Tennessee, Knox Co.. Samuel is sued for non-payment of a debt. As usual he lost the suit. The guy had no luck.

1803 Tennessee, Knox Co.. Samuel and Keturah had a daughter named Dorcus S. Shipley. She married Fleming S. Page in Kentucky.

1804 Tennessee Knox Co.. Samuel paid taxes on his Roseberry Creek property.

1804 Tennessee, Knox Co.. Samuel was sued for non-payment of a debt. He lost again!! I would change lawyers!

1805 Tennessee, Knox Co. January 18th Samuel sold his Roseberry Creek property. This is the last time I find Samuel owning property anywhere. He was about 55 years old and I thought it was strange.

1806 Tennessee Knox Co.. Samuel was sued for non-payment of a debt. Same old story he lost.

1806 Tennessee Knox Co.. Samuel and Keturah had their last child Asa Shipley. He married Rosannah Bean in Washington Co. Tennessee.

1809 Tennessee Grainger Co.. Can you believe it Samuel sued a William Robertson for something. Of course he lost the case. The guy just cannot catch a break.

1810 Tennessee Grainger Co.. Surprise William Robertson sued Samuel and as usual Samuel lost the case.

1810 Tennessee Knox Co.. Samuel and his son Christopher were sued for non-payment of a debt. Is it like father like son. Neither one showed up for the hearing so of course they lost the case. I think Samuel was in Grainger Co., but Christopher married Elizabeth Rutherford in 1811 in Knox Co.. so he must have still been there.

Note

The above law suit places Samuel with his son Christopher in 1810. Also in 1821 Christopher and his brother Thomas are involved in a lawsuit in Knox Co. Tennessee. I believe between the two lawsuits and the two sons marriage in Knox Co. in 1811 and 1813 show that they are part of Samuels and Keturah's family. I find no other Shipley's listed in Knox Co. Tennessee earlier or later.

1813 Kentucky, Barren Co.. Samuel paid taxes but did not show to own land.

Note

It seems strange that Samuel would leave Tennessee where he had two or more adult children and move to Kentucky with at least four minor children unless he had relatives in Barren Co. Kentucky. There was a small group of Shipley's living in Barren Co. at the time. They were Robert Shipley Sr., Robert Shipley Jr., Joseph Shipley (maybe adult son of Samuel), Nathaniel Shipley, George Shipley and William Shipley. (sons, brothers or cousins?) I think there has to be a family connection there and I hope someone can prove it. I have not so far.

1814 Kentucky, Barren Co.. Samuel paid taxes but did not show to own land.

1817 Kentucky, Barren Co.. Samuel signed a document giving his son Joseph permission to act as his agent in the settlement of the estate of Joseph Sutton of Maryland. Joseph Sutton was Samuels's wife Keturah's father.

1820 Kentucky Monroe Co. (Allen and Monroe Counties were formed from Barren Co. so the Shipley's living there did not move, the county lines did.) Anyway Samuel showed up in the 1820 Monroe Co. census and still had 4 children living with him. They were Dorcus, Prudence, Keturah and Asa. His daughter Ruth Shipley Brown lived next door, or maybe Samuel and children were living with Joshua and Ruth Shipley Brown.

1821-1829 I find nothing on Samuel during these years. It may be because the Monroe Co. courthouse burned about 1860 and most documents were lost. It could be that Samuel after his children were gone and his wife was dead moved back to where his brothers or other children lived. Samuel was between 70 and 78 years old. Maybe someday I will locate him.

1830 Kentucky ,Monroe Co.. Samuel paid taxes but did not show to own land.

1830 Kentucky, Monroe Co.. Samuel showed to be living with his son Reuben in the 1830 Monroe Co. Census.

Note

1831 Kentucky, Monroe Co.. Samuel applied for and began receiving pension benefits from the Revolutionary War. He stated he was the Samuel who served with Capt. Miles in the Maryland line.

This document ties Samuel back to Baltimore Co. Maryland and with the other ties listed above I think it pretty well proves that all of the above Samuels are in fact one Samuel.

1831-1839 I have no information on Samuel. The Monroe Co. Courthouse burned about 1860 and most documents were lost. What a shame.

1839 Monroe Co. Kentucky. Samuel died at the age of about 89. This showed up in his pension history. He was the longest living person in my direct line.. According to the "Page Family History" the administrator to Samuels estate was Fleming Smith Page, husband of first Dorcus Shipley and after her death her sister Prudence Shipley. Both were daughters of Samuel.

Samuel and Keturah's children were as follows:

My Line-Christopher B: 1785 NC/Tn. D: 1839 McMinn co. Tennessee

Questions

Samuel married Keturah at the age of 34. That seems late for a first marriage. I think that Samuel was married before and that might account for several children that I can find no information on. It is just another guess with no proof.

I think that Joseph Shipley a son of Samuel may have had a wife named Jean or Jane McCracken. If I am right then Joseph was born between 1765 and 1784 (1810 Barren Co. Kentucky Census one male 26-45) and he could not be Keturah's son. This is just a guess and I hope someone has an answer on Joseph.

There was another Joseph in the Campbell Co. Kentucky 1850 census who would have been born in 1790, but he said he was born in Virginia. I cannot place where Samuel was during that time period so it is possible this Joseph was Samuel's and Keturah's.

Benjamin Shipley married to a Hannah living in Sullivan Co. Tennessee is a question mark. According to the 1850 census he was born in Tennessee in 1788. Since no one else claims him in their family line I wonder if he is Samuel and Keturah's son. I still think that Samuel moved to Washington Co. North Carolina/Tennessee in about 1784 and had all of his children there.

Any comments you have or mistakes that you see would be helpful.

Notes for KETURAH SUTTON:

BIOGRAPHY

Daughter of Joseph Sutton b. 1726 Balt. Co. Md. (m - 5-1-1748 Balt. Co. Md) and Ruth Adams of Md. their other children listed were Henry b. 1756 & Thomas b. ?

As is normal with early females you normally find out very little about them.

Children of SAMUEL SHIPLEY and KETURAH SUTTON are:

- i. JOSEPH² SHIPLEY.

Notes for JOSEPH SHIPLEY:

Joseph is listed in a document filed in Barren Co. Kentucky by his father Samuel stating that his beloved son Joseph was to act as his attorney in the settlement of the death benefits of his wife Keturah's fathers estate in Maryland. Her father was named Joseph Sutton and the date on the document was dated Aug of 1816.

Byond the above document I have no proof that Joseph ever existed. Listed below is a couple of possibilities.

A Joseph Shipley showed up in the 1808 tax records of Barren Co. Kentucky.

A Joseph shows to be in the 1810 Barron Co Kentucky census. He and his wife show to be between 26 and 45 years of age, with one boy under 10 and 3 girls under 10. His wife would have been named Jane McCracken and they lived next door to her brother James McCracken.

In the 1820 census the above Joseph seems to have died . His wife Jane is listed along with several Children. Also this Joseph paid taxes on his property 1808 thru 1819 and then he disappears.

1808 Joseph Shipley July 21 120 acres on Walnut Creek.

1812 Joseph shipley and wife (Jean or Jane) joined Concord Baptist Church Barren Co. 1812-1819

1814 Joseph Shipley in Benedict Co. tax District Barren Co.

1815 Joseph was issued a land grant in 1815 for 200, but never paid taxes on more than 124 acres.

1815 Joseph was taxed with no land in Allen Co. Kentucky

1816 Joseph was taxe on 200 acres of land in Allen Co.

1816 he paid taxes on 124 acres,

1817 for 50 acres and Nathaniel Shipley paid taxes on 25 additional acres of Joseph's land. Allen Co

1819 Joseph paid taxes on 45 acres and Nathaniel on 20 acres. Allen Co.

1820 Jane his wife paid taxes on 50 acres and Nathaniel on the 25 acres. Allen Co.

1822 Jane paid taxes on 40 acres and Nathaniel on 25 acres. Allen Co.

1823 James (Probably Jane a misprint) paid taxes on 40 acres and Nathaniel on the 25 acres. Allen Co.

1824 It was back to Jane and Nathaniel on 50 acres and 25 acres. Allen Co.

I do not think that this is the right Joseph, but who knows.

If this is the right Joseph and he is 26 or more and Samuel and Keturah were married in Mar.1784 and he was born in 1784 or earlier. It does not compute. Could Samuel have had an earlier wife?

A Joseph Shipley is in the Campbell Co. Ky 1850 census. In it he states he is 60 years old and was born in Va. I cannot place Samuel from 1790-1793 so he might have been in Virginia. The area that Samuel lived in in late 1793 was sometimes called the Squabble State because Tennessee, North Carolina and Virginia claimed it for years. So it could be him.

ii. SUSAN SHIPLEY, b. Kentucky; d. Kentucky.

Notes for SUSAN SHIPLEY:

I have found nothing on this Susan. I do know her brother Rueben named one of his children Susan so it could be her. Samuel had a daughter named Dorcus S. Shipley. I think that this was Dorcus Susan Shipley.

I have given her a birth and death place of Kentucky for map purposed

iii. WILLIAM SHIPLEY, b. 1786, Anne Arundle Maryland.

Notes for WILLIAM SHIPLEY:

Everything is speculation on William. I have no proof that he ever existed. The Shipley's of Maryland book makes a mess of our Samuel and you cannot believe everything they say.

Ancestry.com listed the following
Mcguire, Hannah married Shipley, William on 13 Apr 1811 in Barren County, Kentucky.

Davidson, Rachel married Shipley, William on 19 Nov 1807 in Barren County, Kentucky.
compare the kids in an 1850 census and where they were born.

2. iv. CHRISTOPHER SHIPLEY, b. 14 Aug 1785, Washington Co. North Carolina/later Tennessee; d. 30 May 1830, McMinn Co. Tennessee.
- v. THOMAS SHIPLEY, b. 30 Dec 1786; m. LUCINDA EDINGTON, 1813, Knox Co. Tennessee.

Notes for THOMAS SHIPLEY:

Genforum-Debbie Jackson

Saint James Parish in Baltimore Co. Maryland lists Thomas as being born in Baltimore Co. Maryland and his parents were Samuel and Keturah Shipley.

Also the Shipleys of Maryland lists Thomas as being born December 30th 1786.

So far the only Thomas I find that fits our family is the one Marrying Lucinda Edington in 1813 in Knox Co. Tennessee.

I also found a newspaper clipping in the Knoxville Register in 1819 about a Thomas Shipley selling a one half acre lot in Knoxville.

I found where a Thomas Shipley died in Grainger Co. Tennessee in 1835. I havn't checked it out yet.
This Thomas was in the 1830 census also.

A James Eddington was born in Knox Co. Tennessee 5027-1827. Maybe her family.
Their are a lot of Edingtons in Knox county about the time our family was there and so I think Something will showup soon

- vi. SAMUEL SHIPLEY, b. Abt. Sep 1788, Baltimore Co. Maryland; d. 1827, Maryland; m. Abt. 1815.

Generation No. 2

2. CHRISTOPHER² SHIPLEY (*SAMUEL*¹) was born 14 Aug 1785 in Washington Co. North Carolina/later Tennessee, and died 30 May 1830 in McMinn Co. Tennessee. He married ELIZABETH(BETSY) RUTHERFORD 20 Apr 1811 in Knox Co. Tennessee. She was born Abt. 1793 in Wythe Co. Va., and died Bef. 06 Jul 1868 in McMinn County Tennessee.

Notes for CHRISTOPHER SHIPLEY:

BIOGRAPHY

Christopher is the last of our direct line discussed in the Shipley's of Maryland Book (1938 Edition) and it only gives his parents name and his date of birth.

Saint James Parish Baltimore Co. Maryland Register from 1787 to 1815. The Register states that Shipley, Christopher, b. to Samuel and Keturah, 8/14/1785.

If we use the above records as Christophers place of birth we may be wrong. Christopher's father Samuel purchased land in Washington Co. North Carolina which later became Washington Co. Tennessee. The dates of the land purchases were 1784 and 1784-1786. In 1787 Samuel paid taxes on the lands and showed two white poles (white adult males) living there. When he purchased the land he stated he was a resident of Washington Co. N.C. on both purchases. From the deed and tax records I believe Samuel was living in Washington Co. from late 1784 until about 1790-91.

The rest I found from some of our family records and other geneological research areas. Mostly in the Eastern Tennessee Research facility in Knox County Tennessee.

Saint James Parish in Baltimore Co. Maryland states that Samuel and Keturah Shipley had the following children. CHRISTOPHER (1785), Thomas(1786), Benjamin(1788).

1785-1807. I can find nothing on Christopher while he was living at home.

1807 Knox Co. Tennessee. Christopher paid taxes on 100 acres of land. I found no deed records of Christopher buying or selling land in Knox Co. Tennessee.

1810 Knox Co. Tennessee. Christopher and his father Samuel were sued in Knox County Tennessee for non payment of a debt. This document was used as a basis for the reconstructed 1810 Tennessee Census.

1811 Knox Co. Tennessee April 20th. Christopher married Betsy (Elizabeth) Rutherford in Knox Co. Tennessee. The bond for the marriage was agreed on and signed by Christopher Shipley and John Rutherford.

1812 Knox Co. Tennessee. Christopher was on the Knox Co. Tax list but with no property and one white pole.

1821 Knox Co. Tennessee. Christopher and his brother Thomas were sued for non payment of a debt.

1821-1829 Sometime during this time The Shipley family moved into Cherokee Indian Territory in Tennessee.

1829-1832 McMinn Co. Tennessee tax list. Christopher was listed in the Tax records index.

1829-1830 McMinn Co Tennessee. I found some entries where Christopher had Jury duty.

1830 McMinn Co. Tennessee May 30th. Christopher signed his last will and testament and it was probated on June 7th 1830. This was before the 1830 Tennessee Census so only Elizabeth and her family were shown.

The Witnesses and Executer to his will were the following men who lived next to them.

One was the brother of Elizabeth, James Rutherford

The other two were friends or family. James Regan and Philip Frye.

Also Edward Rutherford lived next to them and was some relation to Elizabeth

I have a copy of the will and will transcribe and list it later.

This is all I have on Christopher at this time, but look under his wife Elizabeth for history and census records after his death in 1830.

Also in notes from another researcher concerning Rutherford's --- Christopher Shipley's nephew

Randolph Rutherford sold out in McMinn Co. Tn. in 1851 and moved to

Ozark, Mo. or Douglas Co. Mo. This is where Christopher's son and grandson, Uriah and Sterling Shipley moved to in the early 1850s.

Notes for ELIZABETH(BETSY) RUTHERFORD:

Elizabeth (Betsy) Rutherford

Very little is known about Elizabeth's life except through census records. This is normal as little is ever known of the colonial and pioneer women. Here are the few facts I have gathered about our Elizabeth.

She was the daughter of
Randolph Rutherford born . abt 1758 Augusta Co. Virginia and died Jan
1841

I have the available court documents of the family property settlement.

If anyone wants more information on the Rutherfords look in almost any large Genealogy library and there are three large volumes on the Rutherfords. I found one in the Clayton Genealogy Lib. in Houston, Texas and one in The History Center in Knox Co. Tennessee.

It is interesting to note that a researcher stated that a Betsy Rutherford was listed as a member of the Cherokee Nation.

This is the second possibility of our being a part of the Cherokee Nation, But we still do not have any proof. Oh well.

Notes for NEHEMIAH SHIPLEY:

I found in an LDS entry where a Nehemiah Shipley Married an
Emilene Scroggins in 1856 in Rhea Co. Tennessee. It stated
that Nehemiah died in 1868.

In the settlement of his mother Elizabeth's estate it was stated
he was deceased.

I found a Emilene Shipley as part of the settlement of
Christopher Shipleys will in 1869-1870. That is all I have on
Emilene.

I found an N. Shipley in 1850 McMinn Co. Tennessee Census single male age 25.

He was just above an E. Shipley single male 31.

Next was John Smith and his wife Elizabeth Shipley (Nehemiah's sister) and her family.

N. Shipley's age is right for Nehemiah so I feel sure it is him.

17. ix. DAVID F. SHIPLEY, b. Abt. 1828, McMinn Co. TN.; d. Bef. 1868.
18. x. ELIZABETH SHIPLEY, b. Abt. 1830, McMinn Co. TN..

3. BENJAMIN² SHIPLEY (*SAMUEL*¹) was born 25 Apr 1788 in Tennessee. He married HANNAH UNKNOWN.

Notes for BENJAMIN SHIPLEY:

The following document is a compilation of facts, deduction, and some just plain guesses as to who this Benjamin Shipley really is. I think I am right on it but because of several Benjamins in Tennessee and some conflicting and or missing information it cannot be proven. The tax records I have compiled show that there were only three Benjamins in Washington Co. from about 1816 until 1836. Of those three one sold his land and left around 1825 or so. That left only two. Thanks to the tax records showing that because of two Benjamins in the county they showed one as 'Benjamin of James' and the other as 'Benjamin of Samuel'. The 'Benjamin of Samuel' paid his taxes on 40 acres of land it so allowed me to identify our 'Benjamin of Samuel' for a lot of years in Washington County. It looks like our Benjamin moved to Sullivan Co. by 1840 as per census records. From here the tax and deed records alone

with other information get really confusing. I will discuss the confusion as they show up later on in this document.

I found a Benjamin Shipley born to a Samuel and ??? in the Saint James Protestant Episcopale Parish on April 25, 1788. This is the same place that I found Christopher and Thomas, his brothers. Since both Samuel and his wife Keturah were living in Washington Co. Tn by this time. I believe he was born in Tennessee as he states in his 1850 census record.

I think the above is the same Benjamin I found in the 1850 Sullivan Co. Census married to a Hannah.

Timeline History

1788 April 25th Benjamin Shipley was born in Washington Co. N.C., which later became Tennessee.

1788- 1815 Benjamin lived with his family. Around 1810 or 1812 Benjamin's father Samuel moved to Grainger Co. Tennessee for a year or so. After that he moved to Barron Co. Kentucky. I find no record of Benjamin living in Barron Co. so I think he probably stayed in Grainger Co. and moved to Washington Co. by 1815. Most of the Tennessee Census from 1800 to 1820 is lost so it is no help.

1816 Benjamin paid taxes in Washington Co. Tennessee. He had no land

1818 Benjamin paid taxes in Washington Co. Tennessee. He had no land

1818 Benjamin paid taxes in Washington Co. Tennessee. He had no land

1821 Tax records are in bad shape but I think Benjamin paid taxes in Washington Co.

1822 Tax records are in bad shape but I think Benjamin paid taxes in Washington Co.

1823 Tax records are in bad shape but I think Benjamin paid taxes in Washington Co.

1824-1829 Tax records are missing or unreadable.

1838 Benjamin pays taxes on 40 acres of land in Washington Co. Tennessee

Even though the Benjamin below looks like the same Benjamin as above, I cannot be sure. The change in acres (40 to 44) that he is paying taxes on makes you wonder. Also in 1840 a Benjamin shows up in the 1840 Sullivan Co. Tn. census that is probably our 'Benjamin of Samuel'. Also the same for 1850. It is possible that our Benjamin moved to Sullivan Co. around 1839 and the one Benjamin left in Washington Co. is the 'Benjamin of James'. Also the 'Benjamin of James' later lived and died in Sullivan Co.

1854 Benjamin Shipley sold 40 acres of land to Mary Davidson

Here is a guess. I believe that our 'Benjamin of Samuel' in poor health and living in Sullivan Co. finally sold his 40 acres of land to Mary Davidson. The deed states or at least implies that Mary and her family had been living on this 40 acres for some time without owning it. This opinion answers why I did not find earlier where Benjamin sold his land.

Benjamin must have died between 1850 and 1860 as he did not show up on the 1860 census.

4. RUTH² SHIPLEY (*SAMUEL*¹) was born Bet. 1790 - 1791 in Tennessee, and died Aft. 1861 in West Fork, Washington Co. Arkansas. She married JOSHUA BROWN 18 Jan 1817 in Barren Co. Kentucky. He was born 1795 in Tennessee, and died 22 Sep 1862 in West Fork, Washington Co. Arkansas.

Notes for RUTH SHIPLEY:

From the information I have gathered it seems that Ruth Shipley was born in Tennessee (probably Knox Co.). She then moved from Tennessee to Barren Co. Kentucky with her father Samuel and several other children. (Reuben, Dorcus, Prudence, Keturah etc.). She married Joshua Brown in Barren Co. Kentucky in Jan of 1817. In the 1820 Monroe Co. Census (in 1820 Monroe was created from a part of Barren Co.) Joshua Brown and Ruth are living next door to her father Samuel Shipley. Sometime between 1820 and 1830 Joshua and Ruth moved back to McMinn Co. Tennessee where several of her brothers and other relatives lived. The next I find of them are in the Washington Co. Arkansas census for 1860.

It states that Joshua was 65, a farmer and born in Tn. Ruth was 70 and born in Tn. Ruth died sometime after 1860 and Joshua died in 1862.

Genforum-Jack E. Burk- Cal. post date Nov. 20, 1998

States that both Joshua and Ruth were born in Tn. and died in Ark. I also found them in Monroe co. Kentucky living next to her father Samuel in the 1820 census.

Genforum-Debbie Jackson

She says that Joshua and Ruth were in McMinn Co. from 1813 to 1830, but I found Joshua in the above place so who knows. She also says that Ruth was born in Maryland.

Since I have found most of her brothers and sisters in Knox or McMinn Co. Tennessee between 1788 and 1813 I think she is wrong.

Notes for JOSHUA BROWN:

All I have on Joshua is in the notes I have written about his wife Ruth Shipley.

5. RUEBEN² SHIPLEY (*SAMUEL*¹) was born 1795 in Tennessee, and died 29 Jan 1867 in Illinois. He married NANCY A. BAILEY 26 Jul 1817 in Barren Co. Ky. on Aug. 3 1817. She was born Abt. 1797 in Virginia, and died 09 Mar 1855 in Illinois.

Notes for RUEBEN SHIPLEY:

BIOGRAPHY

Rueben was born in Tennessee probably Knox Co. in abt 1795. He moved to Monroe Co. Kentucky before 1820. He probably moved with his father Samuel who moved to Barron Co. Kentucky which part of it became Monroe Co. Kentucky. Samuel was on the Barren Co. tax roles from 1813-1814. He live in Kentucky to abt 1840 and then moved to Marshall Co. Illinois before 1850. He lived there until his death in 1867.

From Ancestry.com it shows from Barren Co. records that Rueben married an Anne W. Baily on Aug. 3 1817.

6. KETURAH² SHIPLEY (*SAMUEL*¹) was born Abt. 1799 in Tennessee, and died Bet. 1842 - 1850 in Monroe County, Kentucky. She married THOMAS BIGGERS. He was born Abt. 1784 in Virginia.

Notes for KETURAH SHIPLEY:

Keturah Shipley was born abt 1799-1801 in Tennessee she moved along with her father Samuel and several other children to Barren/Monroe Co. Kentucky in about 1810. While not much is known about her we do know that she married a Thomas Biggers in Monroe Co.

Ky. and had 7 children all listed on this family page. She along with her sister Prudence in 1838-40 were Members of the Mill Creek Baptist Church and later in 1841 became Charter members of the "Skaggs Creek Baptist Church" in Tompkinsville, Monroe Co. Kentucky. Keturah lived the rest of her life in Monroe Co. close to her sisters. She died sometime between 1842 and 1850 because in 1850 Thomas had a younger wife named Catherine. This was a time of strife in the area because of the war of 1812 and all of the debates over slavery which led up to the Civil War in 1860. My sources tell that most of the people in Monroe Co. were for the Union and against Slavery. If you were in Kentucky and a Confederate, after the war you were not to welcome and a lot of them moved on to Tennessee, Arkansas and Mo.

Some guess work must be used to determine that Thomas Biggers was Keturah's husband. The main proof is that every other child of his was named after Keturah or one of her siblings. Her sister Prudence lived three houses down from Thomas in the 1850 census. Prudence her sister in the 1860 census was living with Owen Biggers, Keturah's son. The above leads me to be very sure that Thomas Biggers was Keturah's husband until her death. At this time no other evidence exists.

The 1830 Monroe Co. census for the Thomas Biggers family showed;

- 1 Male age 5 to 9 Owen
- 1 Male age 40-49 Thomas father
- 3 Females age 0-4 Ruth, martha and Mary daughters
- 1 Female age 5-9 Keturah daughter
- 1 Female age 30-39 Keturah mother

The 1840 Monroe Co. census for the Thomas Biggers family showed;

- 1 Male age 0-4 Thomas son
- 1 Male age 15-19 Owen
- 1 Male age 50-59 Thomas father
- 1 Female age 0-4 Prudence
- 1 Female age 5-9 Parmelia
- 3 Females age 10-14 Ruth, martha and Mary
- 1 Female age 15-19 Keturah daughter

1 Female age 30-39 Keturah mother

The 1850 Monroe Co. Census for the Thomas Biggers family showed;

Thomas Biggers age 56 born in Va.

Catherine Biggers age 43 born in Tn.

The children were

Keturah age 26 - Her mothers name.

Owen age 25

Ruth age 23 - Keturah's sister's name.

Martha age 21

Thomas age 14 - Keturah's brothers name .

Parmelia age 12

Prudence age 10 - Keturah's sisters name.

Roland age 40 - probably a relative and listed as a laborer and born in Va.

7. PRUDENCE T.² SHIPLEY (*SAMUEL*¹) was born Abt. 1800 in Probably Knox Co Tennessee, and died 12 May 1864 in Monroe Co. Kentucky. She married FLEMING SMITH PAGE 08 Nov 1842 in Monroe Co. Kentucky. He was born 14 Feb 1803 in Cumberland Co Kentucky., and died 14 Jun 1857 in Monroe Co, Kentucky.

Notes for PRUDENCE T. SHIPLEY:

Information from the History and Geanology of the Robert and Rachel Page Family (1750-1827), Goochland County, Virginia and Spartan County, South Carolina by Donald W. Page (1992) On page 66 he writes the following.

Fleming S. Page, son of John Page, was born on Feb 14 1803 in Cumberland Co. Kentucky, and died on June 14 1857 in Monroe Co. Kentucky. He married first Dorcus Shipley on September 5 1822 in Monroe Co. Kentucky. She was born on 14 March 1803 in Kentucky and died April 20, 1842 in Monroe Co Kentucky. She was the daughter of Samuel Shipley of Maryland. He married second her sister Prudence T. Shipley on November 8 1842 in Monroe Co. Kentucky. Prudence died on May 12 1864 in Monroe Co. Kentucky and is bured in Gregory Cementery Near Tompkinsville, Monroe Co. Kentucky.

Prudence was a member of the Mill Creek Baptist Church from 1838 to 1841 when she and others partitioned the church to aid in the formation of the Skaggs Creek Babtist Church also in Monroe Co. I have an article from the a book of the Monroe Co. History where she and her sister Keturah along with others were charter members of the Skaggs Creek Baptist Church in 1841. In 1840 Prudence was living with her sister and brother-in-law Fleming Page. Probably Dorcus her sister was in poor health and died two years later in 1842. About six months later Prudence married Fleming and helped raise her sisters children.

The only thing that seems odd is that in 1860 after Fleming had died Prudence instead of living with one of her step-children was living with her other sister Keturah's oldest son and his family. Maybe she did not get along with her step children??

Notes for ASA SHIPLEY:

According to the 1860 Census Asa was born in Knox Co. Tennessee in 1806. He would have moved to Kentucky with his father Samuel and

other siblings around 1810-1813. By 1830 he had moved back to Washington Co. Tennessee. The 1820 to 1829 tax records are incomplete or unavailable so the first proof I have of Asa is in the 1830 tax records. He married his wife Rosannah in about 1824-1825. I find him living the rest of his life in Washington Co. Tennessee. He died between 1860 and 1870 and is buried in the Shipley Cemetery in Washington Co.. His wife lived for at least 10 years more.

I have no proof that this Asa is our Asa but the time and place of birth and his life in Tennessee point toward it a lot.

In the Tennessee Washington Co. 1840 Census I found the following;

Asa Shipley

1 male under 5

1 male 30 to 40 (This would be Asa)

1 Female under 5

2 female 5 to 10

2 female 10 to 15

1 female 30 to 40 (This would be Rosannan Bean)

In the Tennessee Washington Co. 1860 Census I found the following;

Asa Shipley Co. Tennessee	Asa Shipley	54,	Male,	Cabinet Maker,	\$1,000	Knox

10. URIAH HART³ SHIPLEY (*CHRISTOPHER*², *SAMUEL*¹) was born 10 Jun 1810 in Knox Co. Tennessee, and died 14 Oct 1882 in Springfiel, Conway County, Arkansas. He married (1) ANNIE DAVIS Abt. 1830 in Tennessee. She was born Abt. 1812 in Tennessee, and died 23 Nov 1863 in Douglas Co. Missouri. He married (2) MARY H. HICKS Bet. 1863 - 1865. She was born Abt. 1825, and died Aft. 1900.

Notes for URIAH HART SHIPLEY:

Some Notes on The Life Of Our Uriah H.
Shipley and his wives Ann Davis and
Mary H. Hicks

1810-1812 Knox Co. Tennessee. Uriah was born (as recorded on his tombstone June 10 1810). The problem with the above date is that according to Tennessee records his parents were married in 1811. I guess it is possible. He was the first born of Christopher Shipley and Elizabeth Rutherford.

1812-1829 During this time it seems that Christopher and Elizabeth Shipley and family live in first Knox Co. Tennessee until maybe 1820 or so. At that time they moved into Cherokee Indian territory. I think that this later became Bradley County Tennessee.

1929-1830 Uriah and Ann Davis get married. One source states that family tradition was that Ann was a full blood Cherokee Indian. This source also states that during the first 10 or 12 years of their marriage they spent living in the Ocoee Indian district in Tennessee. Bradley Co was formed from this district and they are listed as among the first settlers of the Eureka Community. Uriah being a Lay Minister in the Methodist Episcopal Church helped form the Euraka Academy, a church school for the Indian children. During the 1840s the family moved back to McMinn Co.

Uriah and Ann, after they married, must have been living in the household with his mother and the last daughter of Christopher & Elizabeth must have not been born until after the death of Christopher in early 1830.

1839 Bradley Co. Tennessee. Uriah and others signed a petition asking for special consideration over some school land that they were living on and the school is going to remove them from it. I have a transcription of the document.

1884-1903 Arkansas, Conway Co.. Uriah's wife paid the taxes.

1900 Arkansas, Conway Co. Arkansas. Mary Shipley is listed as living alone in the 1900 census.

A few intersting footnotes on Uriah.

I found a letter that was sent to the State of Tennessee in 1839 from Bradley Co. asking for relief from a newly formed school district that was trying to take away some land or make them pay more than they thought they should. Uriah and a number other people signed the petition. From what I could tell it was land that Uriah and other people had settled on and it was Indian land. After the the government moved the Indians to Oklahoma they set up a school district giving all of the land to the school districtand Uriah and others were trying to not lose their land. The Cherokee Indian move was a sad footnote in American

History and was called "The Cherokee Trail Of Tears" . Read about it sometime. We were not very nice to the Cherokee Indians.

He was an Episcopal Methodist Minister most of his life and records show that he performed marriages where ever he lived.

We know that Uriahs Shipley's daughter Louisa married Isaac Franks and Samuel Charles Shipley married Mary Franks. This is one of two places where the Shipley's and Frank's inter-married. There was a letter stating that we might have another Franks in our Ancestry but some information from one of our Second cousins Trudy Shipley Harper cleared that up. It was a stepson of Sterling Davis Shipley talking about Uriah.

It is interesting to note that there were few if any schools in the area where Uriah grew up, but he learned to read and write quite well it seems.

Listed below are notes from Trudy Shipley Harper, Vicki Karmann and Sybil Shipley Jobe. They repeat some of my above comments but, I think they are interesting just the same.

From Vickie in ref. to note of Sybil Shipley Jobe. Uriah married a Mary Hicks sometime between 1863 & 1865 (see 1870 census notes Mary H. 45

b. Ala) and that they had no children.

There were no schools in the area where Uriah lived but Uriah learned to read and write and had a fair education. He later became a lay minister in the Episcopal Methodist Church South and the Methodist Protestant Church.

Uriah's oldest son Sterling moved to Ark. in the early 1850's and was in Douglas Co. Mo. by 1857. By 1859 Uriah was in Douglas Co. He bought

40 acres of land (SW SE of S9 twp 25 R 16) from the United States for \$40.00 on Nov. 25, 1859. On the 29 Nov. 1865 Uriah applied for homestead land. He was issued Homestead Certificates No396... This land is located on Rippee Creek in the Brown Twp.

They moved to Springfield, Conway Co. Ark. sometime in 1871. Land records dated Nov. 4, 1871 show that he bought land there.

On Jan. 26 1872 Uriah registered his credentials as an Ordained Deacon in the Methodist Protestant Church (Deed Book L page 261)

Uriah paid taxes in Conway Co. Ark. in the years of 1874, 1877, 1879.

His wife paid them from 1884-1903. The last record of Uriah in Conway Co. Ark. is dated Sept. 29, 1880. It is a promissory note. William M. Shipley is also listed.

1880 Census Conway Co. ark. taken June 11, 1880. They were in Union Twp. his age is listed as 70, hers as 64 - his occupation is listed as farmer. Mary is listed alone in the 1900 Conway Co. census.

Notes for MARY LOUISA SHIPLEY:

BIOGRAPHY

Louisa married Issac Lemuel Franks. This is the first established time

that the Shipleys and Franks inter married. The second and later was

Mary Franks and Samuel Charles Shipley.

Louisa's daughter Cynthia Mary Ann Franks (my grandmother) married

Calvin E. Shipley's son Samuel Charles (my grandfather) .

Louisa and Isacc lived in Alabama prior to living in Ark. They came to

Texas from Ark. Dec. 14 1888 and Jan 1889. Louisa was pregnant and

sick at the time and came by train the with smaller children with her Bro-in-law,

Jerry (Jeremiah), Accompanying her. Isacc came by wagon with older children.

There was a letter dated 4 Jan 1880 by W.A. Hubbird to Isaac Lemuel

Franks stating that his grandpa was a brother to Thomas Shipley. He

does not give his grandpa's name but this Thomas Shipley might be a

relation to Louisa Shipley. We do know that Isaac and Louisa's daughter, Mary, married Samuel Charles Shipley and Charles's father

was named Calvin and was a cousin to Louisa Shipley Franks.

It is

believed that Mary Franks and Charles Shipley (her husb) were third

cousins.

The answer to the above letter came from Trudy Shipley Harper.

Sterling D. Shipley's 2nd wife. was Charlotte Hubbard.

Charlotte had a

son by her first husband whose name was Warren. b. 1857.

Sterling and

Charlotte married in Sept. of 1860. The grandfather W. A.

(Warren) is

speaking of is Sterling's father Uriah (which was probably the only

grandfather Warren Hubbard knew). Uriah had a brother named Thomas C.

Shipley who was married to Nancy Jane Wattenbarger. So the answer is

we do not have another Franks marriage in the family line.

All of Louisa's children and decendents are in the Franks family records.

Not much more to discuss.

Aside from the below all I have on Randell is he was deceased at the time of the final probation of Christopher's Will in 1870. It stated his wife and children's location were not known.

Somewhere I found where he married a Millie Rudisil in 1835 and a Martha Alice Rudisil in 1850.

The women may be the same. I do not know. Other documentation shows her name was Mary Ann Mann.

Am looking for more information on R. Shipley who married Milly (Millie). In 1850 TN census listed with children Amanda (possibly Lamanda) 14, Delila 12, Sarah 10, Alex 6, Francis 5, Rebecca 4, and Doctor (possibly Collins) 4. In my family bible I show a Lamanda Crume who died in Feb 1911 age 75 in Marionville, MO. I show her maiden name was Shipley. Also show Alexander Shipley and his date of death. Show Collins Shipley and his date of death. (Is Doctor Shipley AKA Collins?) Rebecca Shipley, I believe is my Gr Gr Grandmother. She married James Boster. These names and dates coincide with what I found in the 1850 Census.

Would like more information on the parents and siblings. Rebecca Shipley Boster's death certificate show Alexander Shipley as her father and Milly Lamb as her mother. Both parents born in TN. Are Randolph Shipley and Alexander Shipley the same person. So many facts match, I feel this could be possible.

Any information or leads would be deeply appreciated. Thank you.

August 4th 2001

Joan,

All I know is her name Milly Ann Mann

they were married about 1830-1835.

They are in the 1840 census of McMinn Co. Tn.

Wilma

August 5th 2001

Wilma, could you tell me how you know her name was Milly Mann? If you found that somewhere I really would appreciate a copy.

Thank you.
Joan Arnold

August 6th 2001

Wilma, thank you for replying. I too had found that Randolph's wife, Millie, maiden name was Mann. This came from both a book on the Shipley's as well as the marriage license of William Alexander Shipley (one of Randolph and Millie's sons.) The name Lamb comes from the death certificates of Rebecca Shipley Boster and Amanda Shipley Crume who were 2 of the daughters of Randolph and Millie. Also there is a handwritten note on a piece of paper in our Family Bible that gives the name Lamb. So, have been trying to find the marriage certificate of Randolph and Millie, but so far have had no luck at all.

Thanks again for your information.

Joan,

Sorry I got it from a book but can't remember which one. But this may help
She married a Tilmon Dixon 25 Sept. 1855 In Hamilton Co. Il. then she married a William Cannon 11 Feb. 1863 and they moved to Lawrence Co. Mo. where she died.

I didn't write ever thing down because she was not on my side of the family.

Randolph's brother Thommas is my line

My information about the father of William Alexander Shipley (called Alec), Lamanda, and Becky is from Alec's application for a wedding

license to Martha Alice Rudesill. It says his Father's name was Randal. Alec's grandfather Christopher Shipley named his son as Randal.

In the county just west of McMinn was a Randolph R. Shipley. He is not the same person. The court house there burned but other records exist to make it clear that each man, Randal and Randolph R. were separate people.

I would be interested in any documented source that names the Father of Alec as Randolph.

Jean Babcock, the Granddaughter of Alec.

Ray, Lamanda's parents were Randolph R. Shipley and Milly Ann. I have a possibility of two maiden names for Milly Ann, but so far have not found what I hope to be definitive proof of her maiden name. I have been looking for the marriage certificate of Randolph and Millie and so far have not had any luck.

Randolph and Millie were in the 1850 Census of McMinn Co. TN. Amanda age 14, Delilia age, 12, Sarah age 10, Alex age 6, Francis age 5, Rebecca age 4, and Doctor age 1. Randolph and Millie migrated to IL after 1850. Randolph died somewhere during the trip. Millie remarried twice.

I am down Rebecca's line and her marriage to James A. Boster.

I have additional info on the family, if you are interested. Would be happy to share with you. I have death certificates of Amanda (Lamanda), Rebecca and Alexander as well as obits. Also some additional info on

Amanda which I found in My Shipley Family, Genealogical History of the Christopher Shipley Family by Sybil Shipley Jobe.

13. MARY (POLLY)³ SHIPLEY (*CHRISTOPHER², SAMUEL¹*) was born 18 Feb 1817 in Tennessee (probably Knox Co.), and died 16 Jan 1903 in Tennessee. She married ROBERT B. SMITH 10 May 1836 in McMinn County Tennessee. He was born Abt. 1812.

Notes for MARY (POLLY) SHIPLEY:

Children of MARY SHIPLEY and ROBERT SMITH are:

- i. MARSHALL⁴ SMITH, b. 1837.
- ii. MENERVA SMITH, b. 1839.
- iii. JAMES SMITH, b. 1841.

14. WILLIAM E.³ SHIPLEY (*CHRISTOPHER², SAMUEL¹*) was born Abt. 1820 in McMinn Co. Tennessee, and died Aft. 1880. He married (1) ANN ELIZABETH BRANDON 17 Feb 1844 in McMinn County Tennessee. She was born Abt. 1823. He married (2) SARAH BALL RUSSELL LANE 10 Mar 1866 in McMinn County Tennessee. She was born Abt. 1840.

Notes for WILLIAM E. SHIPLEY:

From his birth until after 1850 William lived with his Father and Mother in McMinn Co. Tn

If you look at the sequence of the 1850 McMinn Co. Tn Shipley Census it is as follows

N. Shipley male age 25 single (Nehemiah Shipley)
E. Shipley male age 31 single (William E. Shipley)
John Smith and wife Elizabeth (William and Nehemiah's sister)

Then look at the sequence of the 1860 McMinn Co. Tn Shipley Census as follows

Elizabeth Shipley female age 65 (wife of Christopher)

William Shipley and family (son of above Elizabeth)

John Smith and Elizabeth (sister of William)

I think it's a pretty strong hint that the E. Shipley in 1850 is the same as William in 1860.

I found William in 1870 census in Roane Co. Tn married to a Sarah age 30, David age 10 (step son)

Mary E. age 3

I found William in 1880 census in Meigs married to a Sarah age 40

Mary E. age 12 stepson David Ball age 19.

Notes for SARAH BALL RUSSELL LANE:

Ball was her first married name. I do not know her maiden name

Child of WILLIAM SHIPLEY and ANN BRANDON is:

Notes for NANCY ANN SHIPLEY:

She is in the 1870 census next to her father who married a Ball

Children of WILLIAM SHIPLEY and SARAH LANE are:

- ii. MARY E⁴ SHIPLEY, b. Abt. 1867.
- iii. DAVID BALL, b. Abt. 1860.

Notes for DAVID BALL:

Step son to William Shipley

15. JAMES HARVEY³ SHIPLEY (*CHRISTOPHER², SAMUEL¹*) was born Abt. 1813 in Tennessee (Probably Knox or McMinn Co.), and died Aft. 1900 in Bell Co. Texas. He married (1) MARY UNKNOWN Abt. 1836. She was born Abt. 1817 in Tennessee, and died Bef. 1864 in Van Buren Co. Arkansas. He married (2) MARY ELEN SCARLETT MCCLURE 06 Feb 1864 in Van Buren Arkansas. She was born 16 Feb 1837 in Indiana, and died 20 Apr 1920 in Bell Co. Texas.

Notes for JAMES HARVEY SHIPLEY:

James H. Shipley's life is a mystery. Nothing completely fits, but here is what I think is his history.

It is based on facts, logic, guess work, some luck and the McClure family history in Arkansas and Texas.

Here is my story on James H. Shipley

1813 about, James H, Shipley was born in probably Knox Co. Tennessee. Tax and court records show that his father Christopher was living there until about 1821.

1830 He must had left home by 1830 at the age of about 17 and that is why he was not in the 1830 census with his other siblings.

1840 I find a James Shipley the right age living in Hamilton Co. Tn next to McMinn Co. where the rest of the clan still lived. This is possibly him although you cannot tell by the census.

1840 Hamilton Co. Tennessee Census for James Shipley

males	2	under 5
males	4	20-30
females	1	15-20

females 1 20-30

1848 James sell his share of the family estate to his brother Nehemiah Shipley.

Nehemiah in 1870 sells his shares to his brother William.

1850 James has already moved to Van Buren Co. Arkansas where he shows up in the

1850 Census of Van Buren Co.

James H. H. Shipley age 37 farmer b: Tenn He would be born in about 1813.

Mary age 33 b; Tenn(Poly??)

Christopher C. age 13 b: Tenn (Named after his Grandfather)

Mary Cadsa ?? age 78 b: USA (Probably mother of Mary }

1850-1851 Jame's nephew Sterling Davis son Of Uriah moved to Arkansas in late 1850. (county not known yet), but possibly Van Buren Co.. Sterling later moves on to Ozark and Douglas Missouri and after he fought in the Civil War he moved back to Greene Fulton and Izard Co. Arkansas

1857 A James H. Shipley received a BLM land Pat. in Cleburne Co. Ark. next to Van Buren Co. Ark. It could be our John H. Shipley

1858 September 18th James son Christopher C. married Sarah McClure.

Polly age 43

Christopher age 22

Sarah age 19 Wife of Christopher C. m: 1858

1864 February 6th James H. Shipley married Mary Elen (Scarlett) McClure.

1868-1870 James was mentioned in the settlement of his fathers estate in McMinn Co. Tennessee.

He was notified by publication which I think means an ad was ran in the McMinn Co. local paper.

1862-1770 Between these years Sterling Davis moved back to Izard Co. and later Fulton Co. Arkansas.

"Estate of S.D. Shipley Dec'd"

Now on this day was presented to the court the inventory of the estate of S.D. Shipley dec'd amount to the sum of Two Hundred and Two Dollars as appraised and sworn by J.M.Durham, Jessie Williams, Z.T. Griffin as the appraisers - - and is appearing to the court that the

Sterling was a lay Minister for the Methodist Church as was his father, and he officiated at many marriages in Ozark Co. Mo.

Listed below is input from other sources on Sterling Davis Shipley and Family History. Some of it is a duplicate of the above but it is still very good reading.

Shipley Family records state that Sterling was a bugler in the civil war, but I find no other record of it.

Notes from Trudy Shipley Harper and others.

The 1850 Census shows him still living at home 19 yrs. old and not married yet. They left Tennessee after Sept 1, 1850 when he married and went to Arkansas. By 1858 they were in Missouri and went back to Arkansas sometime after Feb. 1870. When he was living with his parents in Bradley Co. Tn, Was when the Cherokee Indians on The "Trail Of Tears" were moved to Indian Territory west of the Mississippi. Sterling was a wagon-maker and a farmer.

In the 1860 census for Mo. he is enumerated in Spring Creek Township household #100 (his father was #99). Sterling bought 40 acres of land on Spring Creek in Douglas Co. Mo. for \$50.00 from the United States Govt. on Oct. 27, 1857.

Book K page 341 shows that Homer F. Fellows assigned land to Sterling D. Shipley at no charge on June 23, 1858 in Douglas Co. Mo.. Page 343 shows Sterling D. Shipley Assigns this same land to Nancy Buttram at no charge.

Sterling married #2 wife Charlotte/Sharlotta Hubbard and was living in Ozark Co. Mo. when he enlisted as a Private in Company C 4th

Missouri infantry (CSA) on Feb 15, 1862. He was detailed as a wagon-maker. Sterling and Charlotte's first son, Sterling Price Shipley was only 13 days old when Sterling D. enlisted. Like many returning Confederate veterans, Sterling and his family moved south into Arkansas. after the Civil War. They are listed in IZARD Co. Arkansas, Tablerock Township in the 1870 Census. Sometime during the 1870s, he moved the family to Fulton Co. Ark. where he died Dec. 1879. The inventory of his estate is filed in Probate Book A, page 651 in Fulton Co. Ark.

HI GARY, I KNOW URIAH AND FAMILY WERE IN KENTUCKY FOR A WHILE. THEY WERE IN DOUGLAS CO. MO. IN 1850. WILLIAM M. WAS LISTED WITH THEM ON THE CENSUS AS 18 YEARS OLD. I HAVE HIS BIRTH CERTIFICATE AND ALSO HIS SONS BIRTH CERTIFICATE. I KNOW HE LISTED IN THE UNION ARMY IN 1862 IN WASHINGTON CO. AR. WITH JAMES SHIPLEY. AGE 18 WE THINK PROBABLY THERE WERENT GIVEN MUCH CHOICE BUT TO JOIN OR BE SHOT. WILLIAM M. WAS DISCHARGED IN 1865 FROM THE BRIG IN FORT SMITH AR. I FOUND HIM AGAIN IN SEARCY CO IN THE 1870S ON A LAND PATIENT. I ALSO FOUND WHERE HE HAD BEEN MARRIED. I DIDNT KNOW ABOUT THE LITTLE GIRL. HE MARRIED MARY JANE (BARNES) TURNEY A WIDOW WITH A LITTLE BOY NAMED JOHN IN 1878. I ASSUMED HIS FIRST WIFE DIED. HE IS ALSO ON SOME COURT PAPERS WITH URIAH IN THE 1870S IN CONWAY AR. I AM NOT THAT GOOD ON THE COMPUTER YET .I AM STILL LEARNING. I HAVE ONLY HAD ONE FOR ABOUT 6 MONTHS. I USED TO SPEND A LOT OF TIME IN LIBRARIES. IT SURE IS NICE TO LOOK SOME THINGS UP A LOT FASTER. I WENT TO TN. EARLY IN THE SPRING JUST FOR A DAY TO TRY AND FIND OUT SOME INFO. BUT YOU REALLY NEED A LOT OF TIME TO GO THRU COURTHOUSE PAPERS AND TAX RECORDS, SOME THINGS ARE JUST NOT ON THE INTER NET YET. I AM A SUB. TEACHER, SO I ;M NOT HOME ALOT IN THE DAYTIME.
